

CSfg Publishing

The **Canberra Speculative Fiction Guild** Incorporated (CSFG) is a not-for-profit writing group dedicated to promoting speculative fiction. Profits from the sale of books go into producing other anthologies and books.

Previous CSFG Publishing titles include *Nor of Human* edited by Geoff Maloney, *Machinations* edited by Chris Andrews, which are now sold out. As at 2006, the CSFG had produced seven anthologies.
